Construction on US 41/WIS 114 enters next stage

Additional traffic lanes being built at off ramps for added capacity

(Green Bay) The Wisconsin Department of Transportation (WisDOT) NE regional office at Green Bay is announcing that work to add dual left-turn lanes at the US 41 off ramps to WIS 114 in Winnebago County, is about to enter stage two. Traffic impacts for motorists will be shoulder and lane closures tentatively scheduled from Tuesday, September 8 through Thursday, October 1.

Stage two construction involves the following closures:

- US 41 southbound off ramp to WIS 114 east – Left shoulder of the off ramp
- US 41 northbound off ramp to WIS 114 east – Middle lane of the off ramp
- WIS 114 eastbound – Median through and turn lanes from US 41 southbound off ramp to 500 feet past US 41 northbound off ramp
- WIS 114 westbound – Median through and turn lanes from 500 feet east of US 41 northbound off ramp to US 41 southbound off ramp

The project is estimated at \$383,000 and involves concrete pavement replacement, repair, and construction of additional off ramp lanes at the WIS 114 interchange. Motorists are advised to use caution and remain alert when driving through this or any work zone.

About the project

WisDOT is initiating expansion and improvement of two segments of US 41 totaling 31 miles. The project will include road expansion to accommodate traffic volume, 44 new roundabouts,

-more-

improved interchanges and expansion of the causeway at Lake Butte des Morts. The project, beginning in summer 2009, will improve safety and ease congestion for travelers. Current construction information and details about the project can be found at www.dot.wisconsin.gov. or us41.wisconsin.gov
